

STRATEGIC BUSINESS MANAGEMENT ADVICE

## 'BIG PICTURE' BEHIND SUCCESS STRATEGIES

### INFORMED, TIMELY, PRACTICAL ADVICE TO MAXIMISE YOUR BUSINESS

**At Moore Markhams we're expert at looking at the big picture; assessing the position and performance of all aspects of your business and working with you to develop the best strategies for ongoing success.**

We understand the loneliness of business decision-making. We'll provide you with an independent, objective sounding-board for ideas, and then informed practical advice to make the most of your business opportunities. We'll also be there to help you address all the curly issues.

Detailed budgets, forecasts and cash flow projections - your business plans will be strengthened through our assistance with the key financial components. We'll also assist with recommendations on profit improvement and financing alternatives.

Access to professional, experienced, timely advice and the back-up of efficient management systems are critical to your business success.

We can help you maximise your business performance growth:

- financial performance diagnosis
- detailed analysis of key performance indicators
- strategy development
- organisational restructuring
- costing analysis and strategies
- working capital / funding strategies
- information systems / reporting.

**"I wanted people who understood my business and personal goals. Kiran Bhikha is great with business advice and structure and has been outstanding in planning scenarios. It's like we're talking the same language, he has been influential on key decisions for investments and structure. He has a wide scope of knowledge that we can draw on."**
