

MOORE MARKHAMS WAIRARAPA

## PASSIONATE ABOUT GROWING SUCCESS IN OUR COMMUNITY

### FOR ALMOST 100 YEARS, WE'VE BEEN PART OF THE WAIRARAPA COMMUNITY.

Based in Masterton, Moore Markhams Wairarapa is an independently owned firm in the Moore Global chartered accountancy and business advisory network.

From our beginnings as W.V. Madden in 1926, the firm has roots entrenched in Wairarapa's history.

In 2010, along with our Markhams New Zealand network firms, we joined forces with Moore Stephens, one of the world's major accounting and consulting associations consisting of 300 independent firms in more than 100 countries.

In 2019, when Moore Stephens became Moore, we chose to retain Markhams – a name synonymous with business success in this region and the country.

Over the years our name might have changed, but the passion we have for our clients remains. Your success is our most important objective. As a firm we are committed to establishing strong relationships based on understanding, trust and reliability.

Moore Markhams is strategically placed to assist businesses in Wairarapa – and we understand the challenges our region faces. Our reputation for providing astute and proactive financial advice to clients has positioned us as valued business partners, with the capacity to deliver positive outcomes.

Our local market knowledge, backed by the Moore Markhams national network and our international network of expertise, will give your enterprise the leading edge, wherever you're doing business.
