

MOORE MARKHAMS WANGANUI

PASSIONATE ABOUT GROWING SUCCESS IN OUR COMMUNITY

FOR CLOSE TO 70 YEARS, WE'VE BEEN PART OF THE WANGANUI COMMUNITY.

Moore Markhams Wanganui is the trading name of Markhams Wanganui Limited, an independently owned firm in the Moore Global chartered accountancy and business advisory network.

In 1953, the late Ron Glasgow set up accountancy firm, Glasgow and Meyers in Wanganui. The firm joined the Markhams group in 1973 and adopted the national name in 1980 when Mr Glasgow left the business.

In 2010, along with our Markhams New Zealand network firms, we joined forces with Moore Stephens, one of the world's major accounting and consulting associations consisting of 300 independent firms in more than 100 countries.

In 2019, when Moore Stephens became Moore, we chose to retain Markhams – a name synonymous with business success in this region and the country.

Over the years our name might have changed, but the passion we have for our clients remains. Your success is our most important objective. As a firm we are committed to establishing strong relationships based on understanding, trust and reliability.

Today, Moore Markhams continues to work with a number of Glasgow and Meyers' original clients as well as their successors, some now third generation.

Our Waverley office (a subsidiary of Markhams Wanganui Ltd) operates in south Taranaki, also with a long-standing client base focused almost exclusively on rural and forestry business.

Moore Markhams is strategically placed to assist businesses in Wanganui – and we understand the challenges our region faces. Our reputation for providing astute and proactive financial advice to

clients has positioned us as valued business partners, with the capacity to deliver positive outcomes.
