

## ABOUT US

Large enough to provide you with a full, professional service, but not so large that you won't get the top-level individual attention you deserve, we deliver the local market knowledge you want, backed by a New Zealand and global network of expertise and knowledge that you need to succeed.

### BELINDA YOUNG Director

I commenced working in the accounting industry with KPMG in Auckland where I qualified as a Chartered Accountant. I have experience in business advisory including business valuation, litigation support, accounting, tax services and audit.

In 2007, I joined Moore Markhams to focus on accounting and tax business advisory. I enjoy working with a range of clients and businesses. From 2014, I have also been providing business valuation and litigation support, including forensic accounting analysis and reporting. This has led to specialised experience in legal firm valuations and calculating economic disparity for relationship property including delivery of expert evidence at the Family Court.

I enjoy working closely with clients to understand their objectives, providing practical advice and to help them to reach their goals.

Outside of work, I enjoy spending time with my husband and two children. I play social volleyball and enjoy outdoor activities such as running and bike riding.
