

Welcome to your new match sponsorship

Meet Tracy and Tureiti

MENTOR: Tracy

Tracy enjoys reading and baking (and collects cookbooks!); she loves art and interior design, pottering around the house and in the garden; she also loves outdoor activities including netball, fishing, and going to the beach. She enjoys children and people, and wants to make a difference by giving a child different experiences and being someone who is interested and able to offer a listening ear.

MENTEE: Tureiti (age 11)

Tureiti's nan says she is "a bubbly girl who enjoys swimming, anything outdoors and likes a challenge".

During the first three months of their match Tracy and Tureiti have been busy exploring local Hawke's Bay attractions like Bay Skate, Par 2 Mini Golf, TimeZone and the National Aquarium of NZ. They have enjoyed sharing their own tastes in music with each other. Tureiti is looking forward to going to Tracy's house to do some cooking together, and ride the four wheeler at the beach.
