**WE SEEK REPUTABLE
AND PROGRESSIVE
FIRMS WITH GROWTH
ASPIRATIONS TO
EMBARK ON A
JOURNEY WITH THE
MOORE MARKHAMS
NETWORK.**

Currently, we have opportunities for firms to represent us in Northland, Waikato, Bay of Plenty, Central North Island, Tasman, and Southland.

If Moore Markhams is the right fit for your firm, then send your expression of interest to Moore Markhams New Zealand chairman, Craig Hemphill email craig.hemphill@markhams.co.nz or phone 09 306 7106 for a confidential and no-obligation conversation.

BENEFITS OF YOUR FIRM JOINING

Strong firms can achieve a lot. Strong firms in a strong network can achieve even more. When you join Moore Markhams, you join a professional community. You become part of a respected global brand, helping your clients and your firm thrive in a changing world, with our like-minded professionals providing you with all the support, guidance and collegiality you need.

GLOBALLY CONNECTED

Moore Markhams is a network of independent firms that are each members of Moore Global Network Limited, a global accountancy network with its headquarters based in London. Since Moore London was founded a century ago, we have grown to become a Top 10 global accountancy worldwide network that comprises more than 600 offices in over 110 countries throughout the world, incorporating more than 30,000 people and with fees of over US\$3 billion.

GLOBAL OPPORTUNITIES

As a direct member of the Moore Global Network Limited, your firm will benefit from the opportunity for inbound referrals, as well as from networking opportunities both locally, in the Australasia-Pacific region, and across the world. Your current and future clients will benefit from your ability to service their cross-border needs in an ever-more connected global economy.

LOCAL FOCUS

Member firms can leverage off network opportunities whilst keeping their local presence, culture and operational structure. Individual Moore Markhams firms are empowered to contribute directly to National Board decision making. Your firm will maintain its strong, independent voice as an influential part of the network.

PEOPLE DEVELOPMENT – CREATING FUTURE LEADERS

Membership provides development opportunities for your people and future leaders. This positions us as a leading network for the recruitment, retention, development and mobility of our people. Talent within your firm can be exposed to new experiences abroad through the secondment opportunities available throughout the global network.

COLLABORATIVE NETWORK

Moore Markhams firms communicate closely, frequently and effectively to share technical knowledge, marketing and other support, and quality standards. National training opportunities provide a forum for upskilling and networking. Internationally, Moore Markhams firms have close working relationships with our Australian counterpart firms, providing the opportunity for synergies across each member office. A members-only intranet provides knowledge sharing opportunities to grow the capabilities of your local firm.

NATIONWIDE PRESENCE

With offices in Auckland, Hawke's Bay, Waverley, Whanganui, Wellington, Christchurch, Dunedin and Queenstown, we look to expand our geographic footprint to grow the Moore Markhams brand as a leading network of accountants and advisors.
